## The White House

A POP-UP OF OUR NATION'S HOME

ROBERT SABUDA

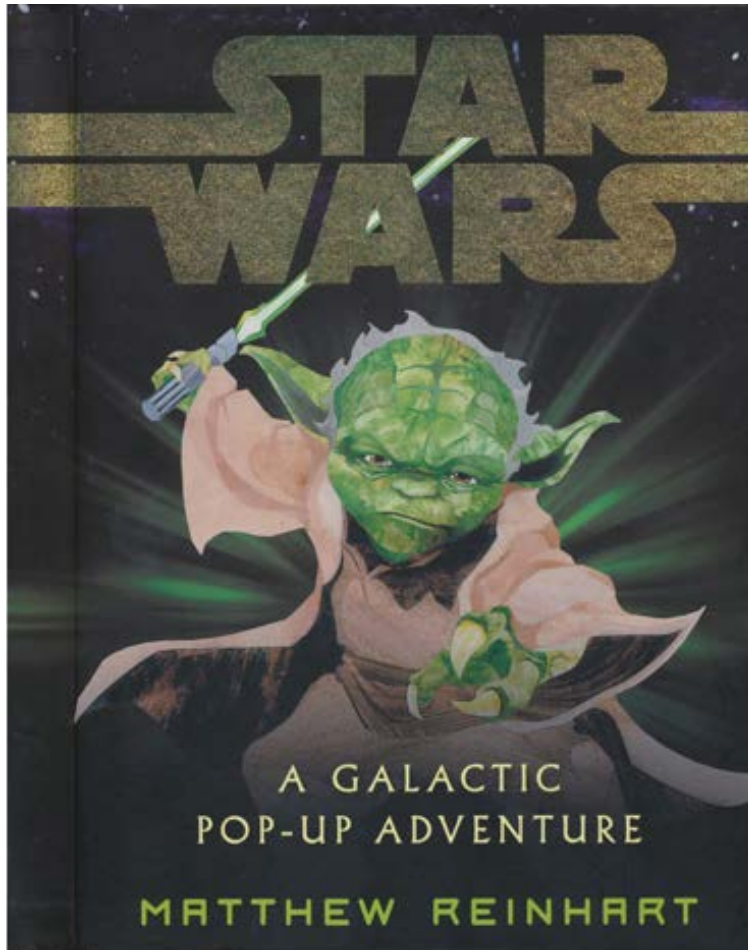

On this great day a child  
of time and fate  
On a new path of power  
doth stand and wait.  
Tho' heavy-burdened shall our  
president's heart rejoice,  
Dowered with a nation's faith,  
a country's choice.

THE NORTH FACE OF THE WHITE HOUSE  
is the most well-known view of this American landmark. Construction on  
the White House began in 1792. Built of white-painted sandstone, the

White House has been the home of every U.S. president,  
and his family, since President John Adams in 1800.
